

# GURU NANAK INSITUTE OF PHARMACEUTICAL SCIENCE AND TECHNOLOGY

*157/F Nilgunj Road, Kolkata, West Bengal, 700114*

Alumni Association

*2020-21*

Alumnus are the wealth of skills and experience. They can offer expertise to the students. They can assist the students in their employability. The students can be mentored by the alumni member also. In that context it is necessary to build up an environment of interaction between alumni and present students so that they can continuously gather knowledge about the professional world throughout their course of study and also to build a bridge between the institute and industry. Guru Nanak Institute of Pharmaceutical Science & Technology has a registered Alumni Association having registration no 36849 of the year 2015-2016.

### **Objectives**

- To develop a network between institute and industry.
- To conduct guidance program for getting them placed.  
To expand the skills of the present students.

The students after completing the course can become a member of” ALUMNI ASSOCIATION OF GURUNANAK INSTITUTE OF PHARMACEUTICAL SCIENCE & TECHNOLOGY”. There are both scope of yearly membership and life membership. The governing body of the association take different initiatives to interact with the students.

1. They are invited in the “Induction Program” for making the fresh students familiarized with the environment of the Pharmacy field.
2. They interact with the students for grooming them and also to make them industry ready.
3. They assist in placement also through their recommendations.
4. They are invited in “Finishing School Program” to make the students aware of different scopes and also about higher studies.
5. There is obviously a positive impact of this as it builds a good connection between the students and the alumni and thus the students can be benefited as they get a clear view about the industry.
