

GURU NANAK INSITUTE OF PHARMACEUTICAL SCIENCE AND TECHNOLOGY

157/F Nilgunj Road, Kolkata, West Bengal, 700114

*Ecosystem for innovations and creation
and transfer of knowledge*

2020-21

3.3.1 - Institution has created an ecosystem for innovations and creation and transfer of knowledge supported by dedicated centres for research, entrepreneurship, community orientation, incubation, etc.

GNIPST as an Academic Institute always do believe the prime importance of Innovation and Creation through research, entrepreneurship, incubation etc. To create such ecosystems to support Innovation and creation GNIPST has developed special cell i.e., EDC. GNIPST has special dedicated advanced research laboratory facilities for UG, PG as well as PhD students to support the same. GNIPST also having one Innovative and Scientific Model Club to enhance the inquisitiveness as well as to thrust the scientific creative outcome of the student.

To enhance the innovations and creation the incubation centre of GNIPST has developed Floor Cleaner and to combat against covid-19 college has develop Sanitizer gel.

Every year Innovative and Scientific Model Club has organised Innovative and Scientific model Competition cum exhibition. This year total 34 groups have participated in the exhibition cum competition. Total 34 working & Still models has been displayed during that occasion.

GNIPST also organised alumni talk for the prefinal and final year students to aware them about the current reality of Job market as well as industry expectations.

GNIPST also called industry expert from different domain like Production, QC, QA , Marketing etc in the same context to deliver lecture about the current situation of industry to encourage our students .
