4.2.1. Library is automated using Integrated Library Management System (ILMS)

- Name of ILMS software : LIB MAN
- Nature of automation (fully or partially) : Partially
- Version : WEB 5.3
- Year of Automation : 2009

The library of Guru Nanak Institute of Pharmaceutical Science & Technology is an integral part of the Institute since its establishment in 2005 in order to cater the academic requirement of the students and faculty members. The library at GNIPST acts as an Integrated Knowledge Resource Centre enriched with good number of books, periodicals, references, national and international journals covering all aspects of academic studies and research materials. It has more than **12000** printed books, journals, magazines, newspapers, CD-ROMs and e-books and for proper organization of the library material. The Library operations are computerized with **LIB MAN library management software**. Software is upgraded time to time against the regular Annual Maintenance Contract. One terminal is reserved for students to search information of availability and issue of Books. Web based Library Software with Web OPAC (**Online Public Access Catalogue- OPAC**) and Single Window Where Complete Information about the Users Along With Circulation Status, Fine Status, Reading & circulation History etc. Varies types of reports can be generated with the use of above mentioned software .Book database is created along with user’s database. Issue return process is automated.

Guru Nanak Institute of Pharmaceutical Science and Technology is computerized with **LIB MAN library management software**.

1. New Book Entry

The screenshot displays the 'Accession Generate [General]' form within the LIB MAN software. The interface includes a navigation menu on the left with options like MASTER, CATALOGUING, CIRCULATION, SERIAL CONTROL, UTILITY, QUERY, and REPORTS. The main form area is divided into sections: 'Basic Information' and 'Publisher & Other Details'. The 'Basic Information' section contains fields for Version, Type, Accession No., Title of Material, and Edition. The 'Publisher & Other Details' section includes fields for Publication Place, Publisher's Name, Year, Series, Volume, Pages, Illustration, Call No, Size, ISBN, Vendor's Name, Remarks, Bill No, Bill Date, Price in INR, Department, Currency, and Foreign Price. A 'Reference Book' checkbox is located at the bottom right of the form.

S. R. Ranganathan

S. R. Ranganathan
Indian mathematician and librarian.

(12 August 1892 – 27 September 1972) was a mathematician and librarian from India. His most notable contributions to the field were his five laws of library science and the development of the first major faceted classification system, the colon classification. He is considered to be the father of library science, documentation, and information science in India and is widely known throughout the rest of the world for his fundamental thinking in the field. His birthday is observed every year as the National Library Day in India.
