RESULT ANALYSIS REPORT

EVEN SEMESTER

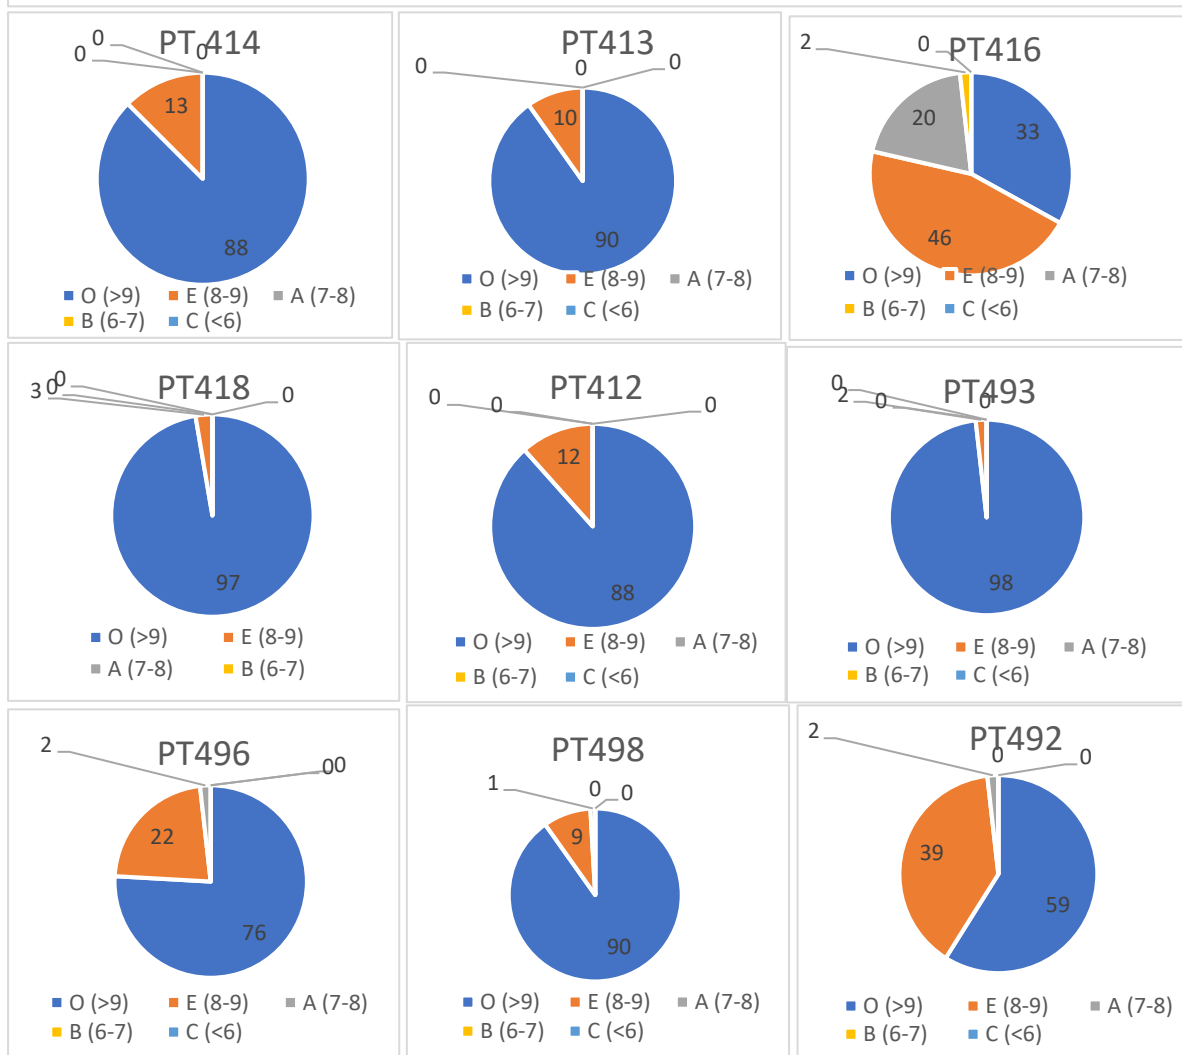

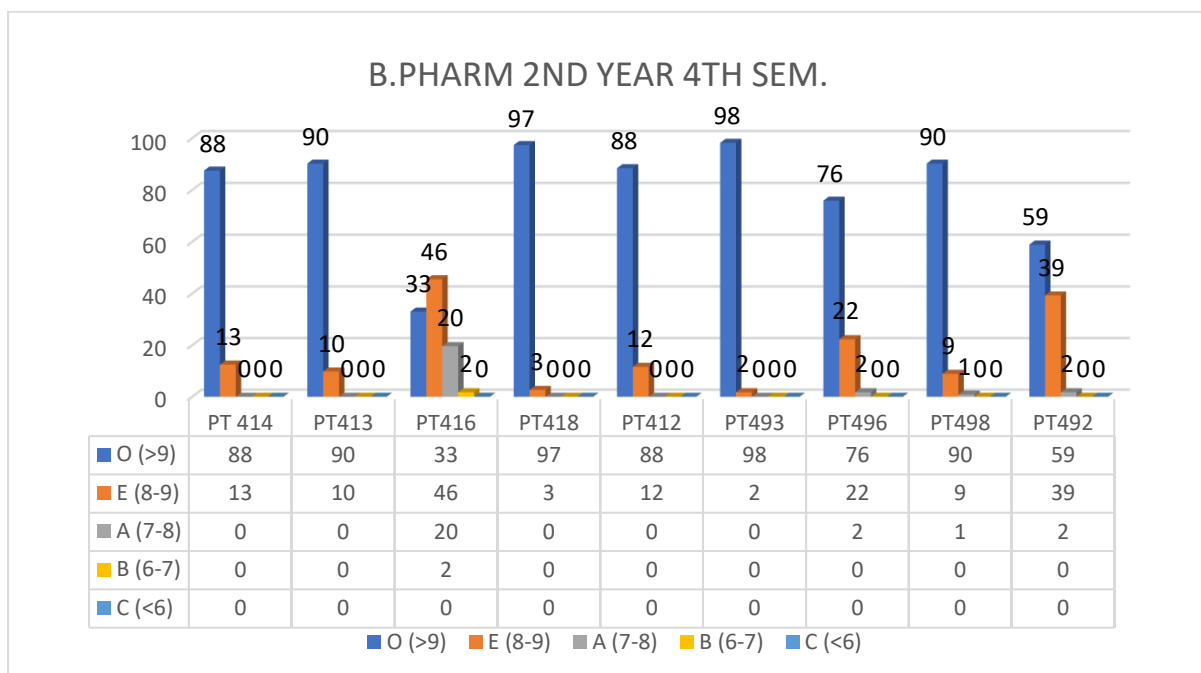

BATCH :2019-2020

B. PHARM 1ST YEAR 2ND SEMESTER

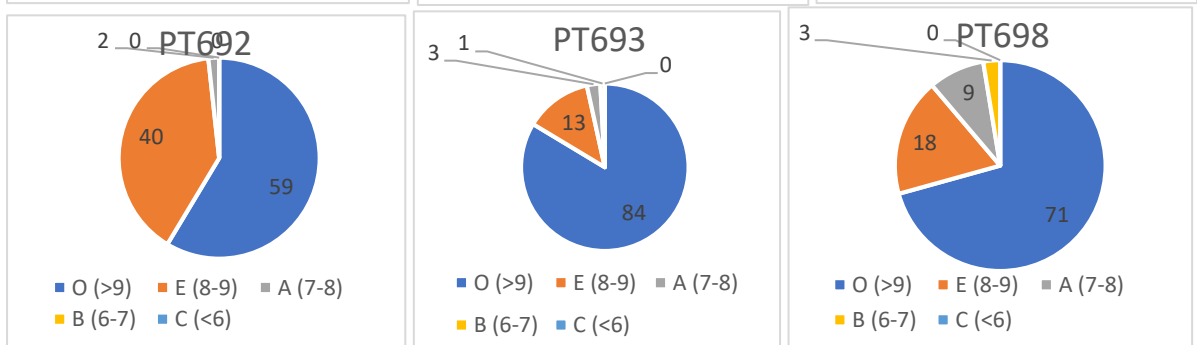

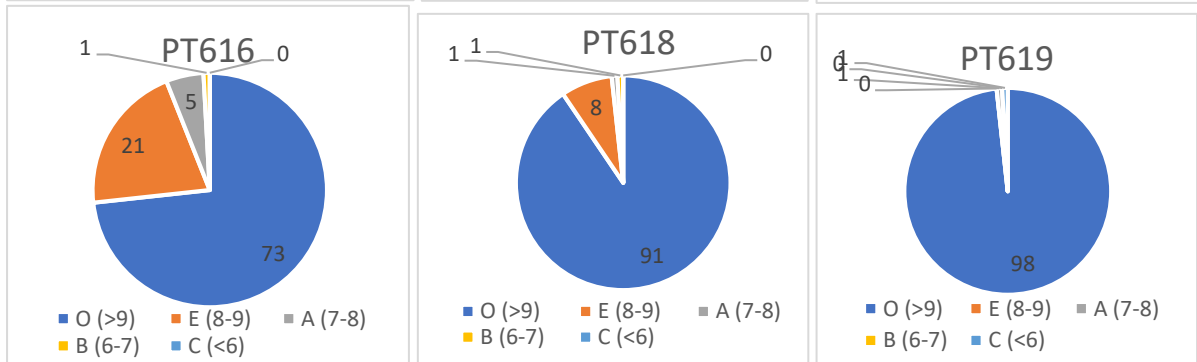

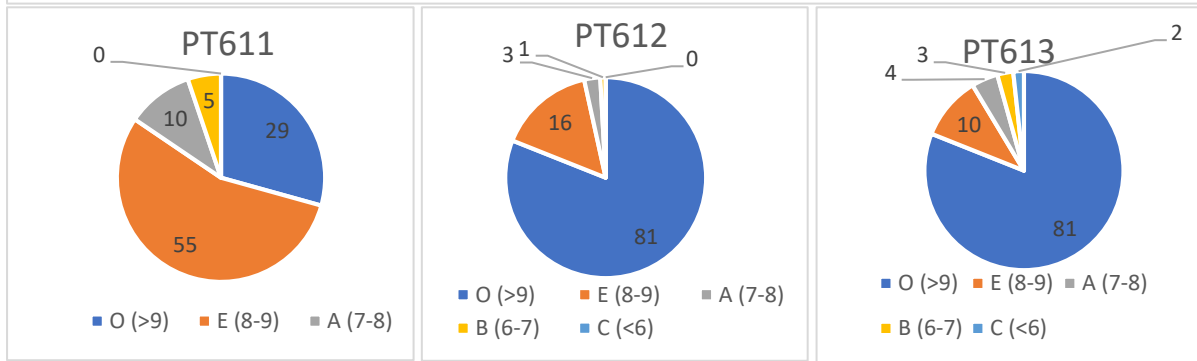

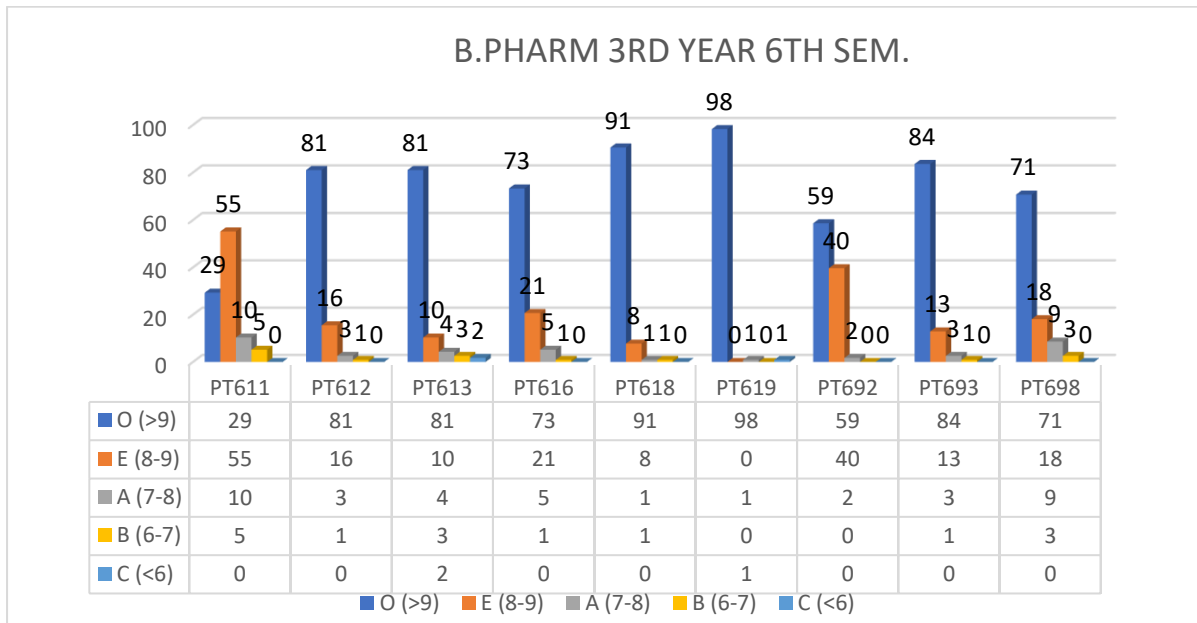

B. PHARM 2nd YEAR 4th SEMESTER

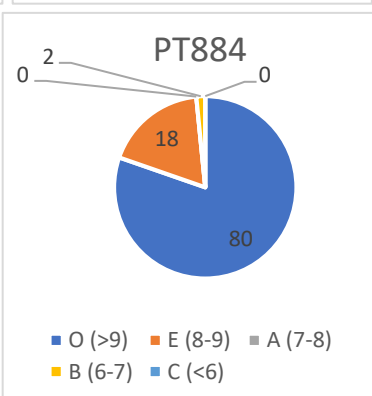

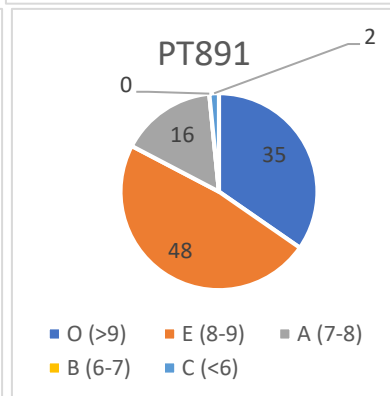

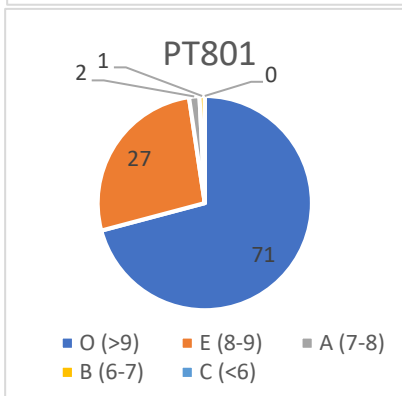

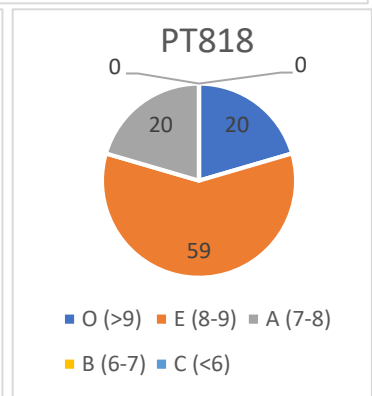

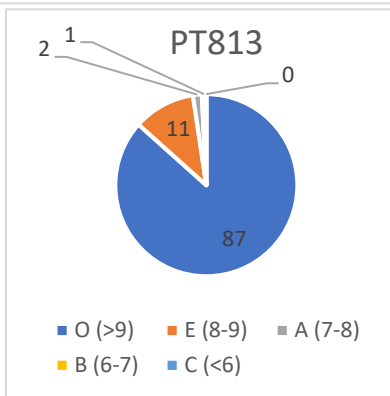

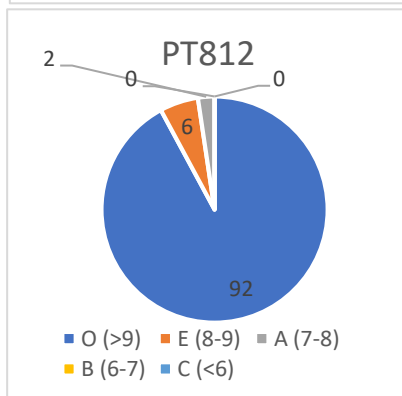

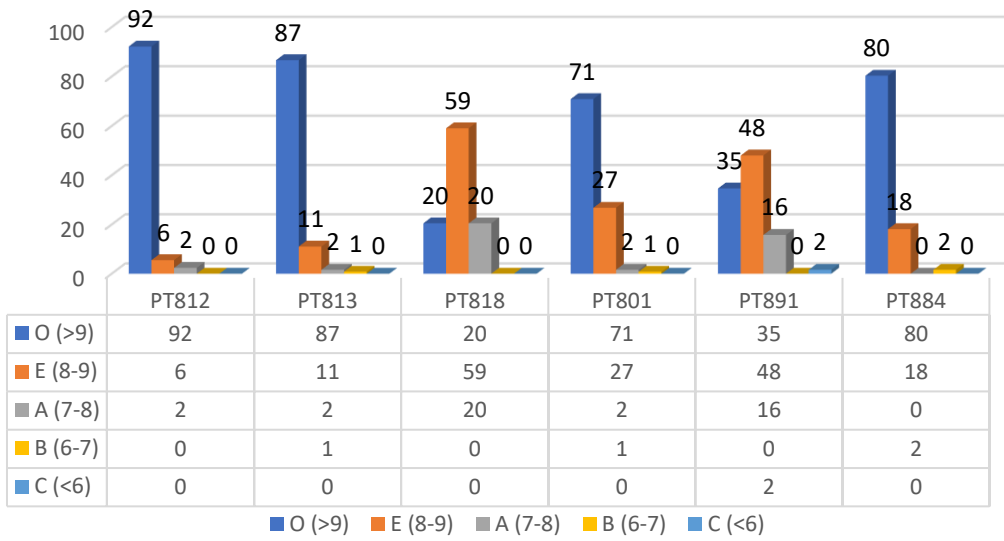

B. PHARM 3rd YEAR 6th SEMESTER

B. PHARM 4th YEAR 8th SEMESTER

B.PHARM 4TH YEAR 8TH SEM.

Comperative Result Analysis Report of EVEN Sem Results of 2019-2020 with 2018-2019

B.Pharm 2nd Sem.

- Significant improvement in result was observed in the academic session 2019-2020 EVEN sem.
- In Human anatomy and Physiology (PT 215) 79% students score grade O.
- In Pharmaceutical organic Chemistry (PT213) 58% students score grade point O, increased with respect to academic year 2018-2019 which was 9%.
- In Biochemistry result was improved to 79% in scale of Grade O from 2% in academic year 2019-2020.

B.Pharm 4th Sem

- In Pharmaceutical Organic Chemistry (PT414) 88 % students score Grade point O, Shows an 88% improvement in same grade point with respect to academic year 2019-2020.
- In Industrial Pharmacy Theory (PT413) 90 % students score grade point o which is quite high.
- In all other subjects massive improvement was observed , including 90% in Grade o Category for Pharmacology (PT418) and 88 % in grade O caterory in Pharmacognosy and Phytochemistry (PT412).

B.Pharm 6th Sem

- In Herbal Drug Technology (PT612) 81% students Score grade point O.
- Grade point O scored by 81% students in Medicinal Chemistry (PT613) which is high and impressive.
- In PT616, Biopharmaceutics and Pharmacokinetics 73% students score the grade point O.
- In Pharmacology (PT618) 91% students score Grade point O.

B.Pharm 8th Sem

- In Pharmaceutical Industrial Management (PT812) 92% students score grade point O.
- Significant improvement is observed in Pharmaceutical Jurisprudence & Ethics(PT813), 87% students Score Grade point O.
- In Pharmaceutical analysis(PT801), 71% of students Scoregrade point O.
- In Hospital Pharmacy & Clinical Pharmacy (PT 818), 20% Students score grade point E and 59% students Score Grade point A.
